

# ATO® FH2 SERIES

## 30A, 42V DC Stackable Block In-Line Fuse Holder

### Description

Install an ATO® blade-style fuse with ease using the ATO® FH2 Stackable Block In-Line Fuse Holder. Attachable in the X- and Y-direction, this stackable fuse holder can also be used with additional ATO® FH2 fuse holders to create a fuse block for protecting multiple circuits.

The ATO® FH2 stackable fuse holder features a black, thermoplastic body with a UL94 V-0 flammability rating for heat and flame resistance. In addition, the automotive in-line fuse holder assembly can be completed with a transparent thermoplastic cover for protection against debris.

### Applications

- Accessory Circuit Protection

### Specifications

<b>Continuous Current Rating:</b>	30A
<b>Max Voltage Rating:</b>	42V DC
<b>Fuse Type:</b>	ATO
<b>Flammability Rating:</b>	UL94-V0 Material
<b>Mounting Method:</b>	In-Line Fuse Holder
<b>Input Terminals:</b>	Wire Crimp 6.3mm Receptacles
<b>Output Terminals:</b>	Wire Crimp 6.3mm Receptacles
<b>Additional Notes:</b>	Compatible with the FKS ATO® Fuse at 80V DC

### Features and Benefits

- Compatible with ATO® blade-style fuses (sold separately)
- 30A max continuous current rating
- Attachable in the X- and Y-direction for simple stacking or row mounting
- Heat-resistant thermoplastic fuse holder body with a UL94 V-0 flammability rating
- Leaf spring connector system
- Wire crimp 6.3 mm receptacles
- Transparent thermoplastic cover offers protection and a clear view

### Ordering Information

PART NUMBER	DESCRIPTION
178.4205.0002	Thermoplastic Housing and Transparent Cover – 1,000 Pieces
178.6105.1002	Thermoplastic Housing and Transparent Cover - with blade terminals – 1,000 Pieces
178.6115.0001	Only Thermoplastic Housing – 100 Pieces
178.6115.0002	Only Thermoplastic Housing – 1,000 Pieces

### Accessories

PART NUMBER	DESCRIPTION
178.6125.0001	Thermoplastic Transparent Cover – 100 Pieces
178.6125.0002	Thermoplastic Transparent Cover – 1,000 Pieces
178.6116.1001	DFK Crimp Terminal - 0.5 - 1.0 mm <sup>2</sup> – 200 Pieces
178.6116.1002	DFK Crimp Terminal - 0.5 - 1.0 mm <sup>2</sup> – 1,000 Pieces
178.6116.1008	DFK Crimp Terminal - 0.5 - 1.0 mm <sup>2</sup> – 3,000 Pieces
178.6116.2501	DFK Crimp Terminal - 1.5 - 2.5 mm <sup>2</sup> – 200 Pieces
178.6116.2502	DFK Crimp Terminal - 1.5 - 2.5 mm <sup>2</sup> – 1,000 Pieces
178.6116.2508	DFK Crimp Terminal - 1.5 - 2.5 mm <sup>2</sup> – 2,500 Pieces
178.6116.6001	DFK Crimp Terminal - 4.0 - 6.0 mm <sup>2</sup> – 200 Pieces
